📘 Result & Marksheet Configuration Guide

Complete setup instructions for Result, Marksheet, Siddhi & Krupa Configuration

For Selected Reports Section

i) Exam Master Code Assignment for Primary Marksheet

Exam	Code	Description
1st Term Exam	3001	Creative 1
1st Term Exam	3002	Written 1
1st Term Exam	3003	Oral 1
2nd Term Exam	3004	Creative 2
2nd Term Exam	3005	Written 2
2nd Term Exam	3006	Oral 2

ii) Result Master Code Assignment

Code	Result Type
3001	1st Term
3004	2nd Term
3007	Final Result

iii) Result Setting Configuration

- Select all exams with the above codes.
- Enable **As Per Primary**.
- Click **Save**.

Report with Sub Report Configuration

If **Report with Sub Report** is not visible:

- Go to **System Configuration**
- Select **Version Mode → Department**
- Set **ReportWithSubReport = 1**
- Save changes and verify again

For Default Reports Section

If the required Marksheet is unavailable:

- Check **Standard Group** in Standard Master.
- Assign the **Primary Number** as Group in Standard Master.
- The Marksheet will appear after correct mapping.

Applying Siddhi & Krupa

Enter the following values in **Result Setting**:

Siddhi Gun:
Siddhi Gun is given based on the percentage the student gets, according to the school settings.

Krupa Gun (Grace Marks):

- Maximum up to **10 marks** can be given as per rules.
- Grace marks are given only if a student fails in subjects by a few marks.
- The student must have appeared in all exams and practicals.
- Grace marks help the student pass the exam.
- Grace marks are not added to the final percentage.
- Students passing with grace marks may not be eligible for ranks or prizes.

Siddhi Gun Value: 15

Krupa Value: 10

Steps to Apply Siddhi & Krupa

- Open **Generate Result**
- Generate result first (or regenerate if already generated)
- Click **Apply Siddhi**
- Click **Apply Krupa**

If Krupa Applies but Siddhi Does Not

- Go to **Exam Parameter**
- Uncheck **Remove Fail Percentage**

Display Absent Students Status

- Open **Exam Parameter**
- Update value in **Absent Result Status**
